Dispatch Democrat

VOLUME LX. UKIAH, MENDOCINO CO., CAL., SATURDAY, NOV. 3, 1928 NUMBER 6

Recommendations as to Amendment Votes

Vote Yes on No. 1, Even Though You Ignore Others

The Dispatch has been asked for advice as to how to vote on the various propositions to be submitted on the ballot next Tuesday. Most of them are harmless, a few are meritorious, and there are several we think should be beaten.

Number 1 is the reapportionment measure. There should be no hesitation in voting yes on this. If it does not carry the country will be at the mercy of the cities as regards representation in the state legislature. Even if you ignore all the others, vote yes on number 1.

Number 2 is designed to permit the state to issue one million dollars in bonds to finance the bringing of the Olympic games to Los Angeles. The Dispatch is unalterably opposed to bond issues except where absolutely necessary and we do not think this is a necessity. Vote no on number 2.

Number 3 should pass in order to enable the state to collect about $22,000,000 in bank taxes, which, if the measure does not pass, will have to be made up by the general taxpayer. It is an emergency measure made necessary by reason of recent decisions of the United States supreme court. Vote yes.

Number 4 is to authorize the state to issue six million dollars in bonds. This money is to be used to buy certain property for public park purposes provided that the parties interested in obtaining any particular piece of property will put up half the purchase price. The other half will be paid from the proceeds of the bond issue. As stated above, we are against all bond issues for unnecessary purposes. Moreover, the act opens the way for

Mrs. Foote Injured in Motor Accident

Mrs. R. D. Foote, wife of assistant farm advisor R. D. Foote, was seriously injured in a motor accident in Oakland last Saturday. Mrs. Foote and Mrs. Peters, of Hopland, motored to Oakland for a visit with relatives. Their car skidded on a street in Oakland and was struck by another and crashed into a telephone pole. Mrs. Foote sustained five fractures of her pelvic bone and was taken to the Merritt hospital, where she is doing as well as could be expected under the circumstances. Her injuries are very serious and she will be confined to the hospital for weeks. Mrs. Peters escaped with superficial injuries.

Celebration Plans for Armistice Day

Lewis White Post, American Legion has been busy the past week planning for its Armistice day celebration and ball. The dance will be held at Dreamland Saturday evening, November 10. Supper will be served by the ladies of the auxiliary.

The parade will be held on Monday, the 12th. Units will assemble at 9:30 a. m. at the Legion hall on south State street. The parade will start at 10 o'clock, led by the high school band. The following units will participate:

Ukiah high school band, Lewis White post, Spanish war veterans, Legion auxiliary, boy scout troops, high school students, Albertinum boys, Willits band, Willits post, Willits boy scout troop, Italian boys band of Ukiah, grammar school students.

The parade will go north on State to Smith, west to School, south to Church street, east to State street and north to State theatre.

At 12:30 a luncheon will be given at Odd Fellows hall for the Willits post and their ladies. Members of Ukiah post will be charged 50c a plate.

A football game is scheduled for the afternoon between Ukiah and Santa Rosa high schools.

MARRIAGE APPLICATIONS

The following applications for marriage licenses have been filed the past week:

Edward C. Schultz, 45, Lakeport, and Fern M. Donaldson, 28, Oakland; Joel Van Dell Patch, 22, and Irma Jean Wilson, 18, both of Lakeport; George F. Gillespie, 26, Potter valley, and Bertha May Cross, 20, Ukiah; Harold F. Daniels, 29, Mendocino, and Edith Josephine Smith, 29, Ukiah; Percy B. Ornbaun, 23, and Loretta C. Thomas, 19, Ukiah.

Camp Ground Owner Fined for Possession

Alex Dimov was arrested by Deputy Sheriff F. L. Fisk this week on the charge of unlawful possession of intoxicating liquor. He was taken before Judge Hoffman and fined $300.00. Dimov conducts the Orchard camp ground on the highway just south of Ukiah.

SENIOR PLAY DECEMBER 10

The senior class of the Ukiah high school will give the senior play on December 10. The play selected is "The Whole Town's Talking," which was one of the big favorites in New York the past season. It was written by Anita Loos, who write also the big success, "Gentlemen Prefer Blonds."

Mr. and Mrs. A. B. Guslander, of Willits, were here Sunday.

VOTE TUESDAY

You owe it to your country.

And you owe it to your country to inform yourself as well as possible on all issues.

Weigh carefully what others tell you.

Odd Fellows Lodge Finally Clears Debt

Last Payment on Mortgage Is Made First of This Week

Ukiah Lodge No. 174, I. O. O. F., paid off the balance due on their mortgage the first of the week and are now free from debt for the first time since 1880. The early members of the lodge purchased the splendid business property on State street on which the lodge building is located and it has always been good income property. The lodge was nearly out of debt when the big earthquake of 1906 badly damaged the building and it cost considerable to make the repairs. About the time this was nearly paid the lodge purchased the land in the rear of the First National bank and built their annex and it is this mortgage that has just been paid off.

Ukiah lodge is the oldest Odd Fellow lodge in Mendocino county and the second oldest lodge, Abell Masonic lodge being about eight years the older. Ukiah lodge was organized in 1868, 60 years ago, and there is not one of the charter members now living.

Some time next month the lodge will hold a special meeting to which all of the oldest members now living will be invited. The mortgage will then be formally burned and the old timers will fell of the early days of the order in this county.

In 1868, when the lodge was organized, it met at what was then known as the "Stafford hall" and this was the only lodge hall in Ukiah. The old building is still standing and is the two-story structure that stands just south of the Masonic building on School street.

K. P. DIST. MEETING

The Knights of Pythias had a district meeting at Willits, Thursday night. Judge Harry W. Falk, of Eureka, the grand prelate, was the guest of honor and made a splendid talk. A large delegation went up from here. The next district meeting will be held at Ukiah the latter part of this month.

Put Final Touches On New Courthouse

W. H. Ratliff, architect, and E. T. Leiter, contractor, of the first unit of the new courthouse, were here Tuesday checking up on the work. Mr. Ratliff is very much pleased with the job and will recommend its acceptance by the supervisors at their meeting this month.

The building is now being cleaned and painters are finishing the last work and everything will be completed next week.

We hope to have the dedication program for our next issue.

Albion Man Arrested for Operating a Still

W. H. Sorell was arrested at Albion last Monday by Deputy Sheriffs Oscar Weger and F. L. Fisk for running a still. He was taken before Judge Hoffman for his preliminary examination and held to answer to the superior court.

BRIBERY CASE DISMISSED

The case of the People vs. Clifford Howard, Fort Bragg nightwatch accused of accepting a bribe, resulted in a verdict of not guilty Friday evening of last week, the jury standing 11 for acquittal to one for conviction on the first ballot.

The case against Bishop will be dropped by District Attorney Gibson, as it is the weaker case of the two and he believes that an attempt to prosecute it would be a useless expense to the county.

Sheriff Ralph Byrnes and District Attorney Lilburn Gibson motored to Martinez, Wednesday, on official business.

Sewer Connections Should Be Made Now

Twenty Delinquents on Old System and Many on New

The city council at its meeting Tuesday evening had under consideration the question of sewer connections where none now exist. The report of the board of health was received showing that approximately twenty property owners in the city contiguous to the sewer system as it existed prior to the laying of the new sewer just completed, had not connected. The council took steps to enforce the law in this regard, and all those who are contiguous to the old sewer system must immediately make connection. When this has been done, the council intends to take up the question of connection with the sewer system of those property owners who were for the first time made contiguous to the sewer system by the addition to the system made recently.

The matter of sewer connections is very important. Ukiah now has a modern system of sewage disposal, and it is the duty of every property owner to immediately avail himself of the opportunity and connect his property. The council should not be compelled to take drastic measures.

HOPLAND GARDEN CLUB GIVES FAREWELL PARTY

The Hopland garden club gave a farewell party last Friday afternoon at the home of Mrs. Jennie Duncan in honor of Mrs. George Sturtevant, who was leaving for San Francisco, where she is spending the winter.

Mrs. Sturtevant during her stay at Hopland through the summer months was very prominent in the work of the clubs, of which she was the head, and the affair was in recognition of her unselfish activities.

Twenty ladies participated in the bridge games during the afternoon. Dainty refreshments were served by the hostess.

Old Fishing Law Is Now in Effect

The new fish law was supposed to go in effect on November 1 but the law was so poorly drawn and confusing that even a Philadephia lawyer cannot make heads or tails out of it. This being the case it has been decided to continue operating under the old law which allows a person to catch two salmon a day with hook and line. This will apply to the coast section, where the salmon have begun to run and tidewater trolling is now giving great sport.

To Keep Boys Out of Bowling Alleys

At the meeting of the city trustees this week an amendment to the ordinance which prohibits boys under 18 from frequenting poolrooms was introduced. The amendment covers bowling alleys and the ordinance will be passed at their meeting next week.

STRANGER TAKEN ILL ON TRAIN; DIES HERE

A stranger named Hugh Donnelly, on his way to Lake county for a visit at the Tom Miller home, was taken violently ill on the train at Hopland last Saturday and was taken from the train here and to the General hospital. He passed away Sunday. An autopsy was performed Monday, but nothing could be determined as to the cause of his death. He was a native of Kansas and was 25 years of age.

A. E. McCombs, who has been very ill at his home here, was reported as much improved this week.

Ukiah Evens Score vs. Eureka Sunday

Last Sunday the Ukiah baseball team evened the score against Eureka, each team having two wins to its credit now. It looks as if another year will pass before the deciding game can be played. The score was 6 to 3.

Eureka started Poulson, their slow ball artist. Ukiah did not do much damage to him, but he gave way to Keegan following an argument with his catcher. Ukiah drew first blood when two runs scored on two hits, Hull doing the big work with a long triple. In the last two games Hull has shown some fine stick work. Eureka scored a run in the second inning and two more in the eighth on three hits. Hansen slipped a little in that inning and Eureka was not slow to take advantage of it.

Blackson, Rockey, Hull and Pool did the heavy hitting for Ukiah, gathering in two or more hits apiece. Hartman for Eureka touched Hansen for three solid hits and enjoyed himself doing it. Carey and Baird were the other hitters, each getting two hits.

This was the last game of the year and Ukiah has won 22 and lost only five, an average of .815.

ROBERTS-VAN DYKE

Miss Vera Van Dyke, daughter of Attorney and Mrs. Will Van Dyke of this city, and Edward Roberts, son of Mr. and Mrs. H. J. Roberts of San Francisco, were united in marriage here at noon last Saturday. The ceremony was performed at the Methodist church by Revfl Rexroad, pastor of the church.

Following the ceremony a wedding breakfast was served at the Van Dyke home after which the couple departed for a wedding trip. They will make their home in San Francisco.

Indian Fatally Shot While Hunting Alone

Fred Duncan, a well known local Indian, was brought to the county hospital Thursday evening suffering from a gunshot wound in the leg near one of his knees. He lingered until 1:00 that night, when he died from the effects of the shock and loss of blood.

Before dying Duncan told Dr. S. L. Rea, county physician, that the shooting was an accident. He stated that he was hunting alone in the hills near Riverside and had set the gun down, leaning it against some manzanita brush. The gun started to fall and the hammer caught in the brush and was released, discharging the weapon.

Duncan was found by some other Indians from the Riverside rancheria, who heard him halloo for help.

An amputation was performed in hope of saving his life.

Hallowe'en Observed by Community Party

Ukiah Children Have Time of Lives Wednesday Night

The first safe and sane Hallowe'en in the history of Ukiah was observed here last Wednesday night.

Mrs. L. H. Foster deserves most of the credit for the affair, but she received the hearty cooperation of several of our civic societies and most of the merchants, who donated either prizes or cash to pay for the hot dogs and buns.

The procession formed at the grammar school grounds and Hugh Harvey, dressed as a witch, was the grand marshal. The members of the male chorus carried torches and the children, dressed in every kind of a fantastic costume imaginable, had the time of their lives. There were witches, hobgoblins and bogie men galore.

The procession marched down Seminary avenue to State street, down State to Scott and then to the high school gymnasium where a grand march was made several times around the room so that the judges could pick the prize winners. Prizes were awarded to 17 girls and 13 boys.

The Camp Fire Girls then put on a ten-minute Hallowe'en play, after which hot dogs and buns were served to the children. It is estimated that there were about 500 children present in addition to which their parents and friends filled every seat in the bleachers and a great number had to stand in the rear.

The entertainment was closed by a short talk by Rev. C. A. Rexroad, pastor of the Methodist church.

Nightwatch W. F. Ornbaun tells us that there was not one act of vandalism committed that night in Ukiah, which is the first time in the history of the town that this has happened on Hallowe'en night.

Teacher Added to Grammar School

Owing to the crowded condition of the Ukiah union grammar school another teacher, Mrs. Arthur Tracy, will be added as soon as the extra room can be fitted up. In this room 35 desks are being installed and the extra room will be for one of the intermediate grades, probably the fourth.

Last year the average daily attendance was 422 with an enrollment of 450 pupils, and this year it has increased to 500.

This is one of the straws which proves that Ukiah is growing all the time.

Mrs. J. W. Shore, of Willits, was here last week visiting at the Wurtenberg home.

POTTER VALLEY

POTTER VALLEY, Oct. 31.—Quite a group of Potter people drove to Ukiah Tuesday evening to see the show which was sponsored by the Mendocino county farm centers. Those who enjoyed the picture were Mr. and Mrs. Jas. Eddie, Mr. and Mrs. Joe Adams, Mr. and Mrs. R. R. Ingels, Mr. and Mrs. Chas. Whittaker, Mr. and Mrs. Frank Lowe, Mr. and Mrs. Lee Williams, Mr. and Mrs. Gus Spotswood, Mr. and Mrs. P. B. Westerman, Mr. and Mrs. Alvin Whittaker and Messrs. Harry Moncrief and Julius Rottluff.

Mr. and Mrs. Roland Boynton entertained a number of friends at their home at the power house last Friday evening. Bridge formed the amusement of the evening. Dainty score favors were won by Mrs. Raymond Starr and Mrs. Clyde Eddie. A delicious two-course supper was served at midnight. Mrs. Boynton was assisted in serving by Mrs. George Burkhardt. Those who enjoyed Mr. and Mrs. Boynton's hospitality included Mr. and Mrs. James Eddie, Mr. and Mrs. Taylor Eddie, Mr. and Mrs. Clyde Eddie, Mr. and Mrs. Herbert Whittaker, Mr. and Mrs. Harold Adams, Mr. and Mrs. Joe Adams, Mr. and Mrs. Cecil Zortmann, Mr. and Mrs. P. B. Westerman, Mr. and Mrs. Louis Hansen, Mr. and Mrs. J. J. Thornton, Mr. and Mrs. Gus Spotswood, Mr. and Mrs. Raymond Starr, Mrs. Mac Chrisofferson, Mrs. Thomson and Mrs. George Burkhardt.

Mrs. J. J. Thornton and Miss Gladys Spotswood entertained their Sunday school classes Sunday after Sunday school at a delightful Hallowe'en party. Dainty refreshments were served at noon.

The pupils of the elementary school enjoyed a Hallowe'en party at the schoolhouse Wednesday afternoon. Stories, games and refreshments helped to break the monotony of the regular school day.

Warren English is spending a few days at the home of his aunt, Mrs. Watt Bevans. Mr. English is a graduate of the local high school with the class of 1925 and is now planning to enter the California School of Fine Arts in San Francisco.

Mr. and Mrs. George Weldon, of King City, were week end guests of Mrs. Weldon's parents, Mr. and Mrs. Lee Knighten. They were accompanied home by Mrs. Alton Knighten, who will be their guest for a few days.

Mrs. Maggie Payne, of Santa Rosa, is the house guest this week of Mr. and Mrs. Val Ross.

Mr. and Mrs. F. M. Swim attended the Grange meeting here last Saturday night.

Mrs. McCarthy, of Oakland, is the house guest this week of Mrs. Sarah Hughes.

Mr. and Mrs. A. Bon, of Willits, and Mrs. Grover King, also of Willits, were week end guests of relatives here. Mrs. Bon was formerly Miss Ruth King.

Harry Carr, of Ukiah, made a business trip to the valley last week.

Mr. and Mrs. R. R. Ingels, Mr. and Mrs. Lee Williams and Mr. and Mrs. Alvin Whittaker attended the Saturday Afternoon club dance.

Mr. and Mrs. Fred Corbett and family are this week moving to the ranch known as the Briggs ranch in the northern end of the valley. Mr. and Mrs. Howard Brooks will move to the Frank Hughes ranch where the Corbett family formerly resided, and E. M. Coble will occupy the house made vacant by the departure of Mr. and Mrs. Brooks.

Potter valley people called on jury duty this week included, Charles Carner, Mrs. Alvin Whittaker, Chas. Busch, J. J. Thornton, James Thornton, George Gibson, Mrs. R. R. Ingels, Mrs. Henry Dickey, Mrs. Frank Hopkins, John Gavin and Theodore Fulwider.

James Curry, the irrigation ditch contractor, is here this week.

Henry Sweeney and Finis Vann have each purchased a new McCormick-Deering tractor. Both are very busy grading land for irrigation.

The great amount of work to be done in the valley has attracted many outsiders and thus greatly increased the attendance of the elementary school. At present there is an enrollment of 101.

Miss Ethel Hardisty of the Willits grammar school faculty, was a week end visitor at the home her parents.

Albert Banks, of Ukiah, was a business visitor to the valley on Thursday.

Saturday shoppers to Ukiah included Mrs. A. F. Busch, Elbert Busch, Mrs. Taylor Eddie, Don Eddie, Mrs. Orville Frost and children, Mrs. Gus Spotswood, Mrs. P. B. Westerman and the Misses Ethel Hardisty, Marjorie Hardisty and Madeline Newman.

Grange Meets

(By MRS. C. A. CARNER)

There was a large attendance at grange Saturday night, it being the occasion for the men to entertain the ladies. After grange the lecture hour was turned over to the men. The Farmyard Funsters gave a burlesque of a radio program from Station B-u-l-l, Potter valley, California. Kenneth Busch was the announcer. There were several choruses, solos and music on the accordion, banjo, violin, harmonica, and piano, also some good jokes were given. After the program all were invited to the banquet room where sandwiches, chocolate cookies, coffee and fresh cider were served. The ladies were well pleased with the entertainment and gave three rousing cheers in honor of the men.

After the business meeting, to the amusement of the older folks the children in their Hallowe'en costumes marched around the hall several times.

Altogether the evening was a very enjoyable one.

Declarations of HON. ALFRED E. SMITH

Democratic Presidential Candidate

ON PROHIBITION

The Eighteenth Amendment

The President of the United States has two constitutional duties with respect to prohibition. The first is embodied in his oath of office. If, with one hand on the Bible and the other hand reaching up to Heaven, I promise the people of this country that "I will faithfully execute the office of President of the United States and to the best of my ability prserve, protect and defend the Constitution of the United States," you may be sure that I will live up to that oath to the last degree. I shall to the very limit execute the pledge of our platform "to make an honest endeavor to enforce the 18th Amendment and all other provisions of the Federal Constitution and all laws enacted pursuant thereto."

* * * * *

Temperance vs. Disregard for the Law

I believe in temperance. We have not achieved temperance under the present system. The mothers and fathers of young men and women throughout this land know the anxiety and worry which has been brought to them by their children's use of liquor in a way which was unknown before prohibition. I believe in reverence for law. Today disregard of the prohibition laws is insidiously sapping respect for all law. I raise, therefore, what I profoundly believe to be a great moral issue involving the righteousness of our national conduct and the protection of our children's morals. The remedy, as I have stated, is the fearless application of Jeffersonian principles.

Modification of the Volstead Law

In accordance with the Democratic principle, some immediate relief would come from an amendment to the Volstead Law giving a scientific definition of the alcoholic content of an intoxicating beverage. The present definition is admittedly inaccurate and unscientific. Each State would then be allowed to fix its own standard of alcoholic content, subject always to the proviso that that standard could not exceed the maximum fixed by the Congress. I believe moreover that there should be submitted to the people the question of some change in the provisions of the 18th amendment.

* * * * *

I personally believe in an amendment in the 18th Amendment which would give to each individual State itself only after approval by a referendum popular vote of its people the right wholly within its borders to import, manufacture or cause to be manufactured and sell alcoholic beverages, the sale to be made only by the State itself and not for consumption in any public place. We may well learn from the experience of other nations. Our Canadian neighbors have gone far in this manner to solve this problem by the method of sale made by the State itself and not by private individuals.

There is no question here of the return of the saloon. When I stated that the saloon "is and ought to be a defunct institution in this country" I meant it. I mean it today. I will never advocate or approve any law which directly or indirectly permits the return of the saloon.

Ukiah High School Wins from Coasters

Locals Too Strong for Ft. Bragg in Game Last Saturday

Fort Bragg 6, Ukiah 20. In the first time since 1923 Ukiah high school's football team has won from Fort Bragg. The long road has at last met its turning. The "Wildcats" have outclawed and outscratched the "Timber Wolves," the lair of the wolf has been violated and despoiled, and Ukiah has no small reason for rejoicing.

The game started inauspiciously for Ukiah. Within five minutes after the opening whistle Fort Bragg had scored and Ukiah had their backs to the wall and failed. Then came Ukiah's turn and Fort Bragg's back was to the wall, but three times the "Wolf" resisted the onslaught of the invader. At half time the game was in favor of Fort Bragg, 6 to 0.

The second half started with Ukiah rushing the "Wolf" off his feet. In three minutes the score was tied and a few seconds later a perfect pass gave Ukiah the extra point and put them in the lead. They kept piling up yardage and points until even the most loyal Fort Bragg rooters knew the game was lost. Some kept cheering and encouraging the team, but a surprisingly large number gave up, quit rooting. Some, including about half of the school band, left for home before the game was finished. In contrast to their cheering the cheering for the Ukiah team was never so loud and encouraging as when Ukiah was behind.

Outweighed about 20 pounds to the man Ukiah played a hard, brilliant game. Numerous of the spectators declared the locals had a college polish in the thoroughness of execution of their plays. Nervous as always when playing Fort Bragg the boys lost some opportunities in the first half and over anxiety several times caused penalties which lost the local team many yards.

Ukiah's first touchdown started with a long end run by Thomson for about 20 yards. Line bucks by Johnson, White and Brown brought about 20 more yards and a criss-cross play around end by Johnson made the final 20 yards. A pass, Swindell to Beales, scored the extra point. The second touchdown resulted from a continuous march after receiving kick-off. Line plays and passes alternated until after four consecutive first downs, Johnson carried the ball over on a line buck. Swindell kicked goal, making the score 14. In the last quarter Fort Bragg tried a desperate but ineffectual passing attack. Several of their passes were intercepted for long runs but penalties for running out of bounds cost Ukiah touchdowns from these. However, the entire fourth quarter was played deep in Fort Bragg's territory. Once they kicked from behind their own goal to the 30 yard line. Here Captain Brown picked up the ball and behind perfect interference ran for a touchdown with no Fort Bragg man even touching him. The place kick went wide and this ended the scoring, 20 for Ukiah and 6 for Fort Bragg.

Although the backfield scored all of the points the Ukiah line made all of the opportunities and really were the outstanding feature of the game. In spite of their handicap in weight, they outcharged the heavier Fort Bragg line and except in the first five plays of the game held Fort Bragg to absolutely no gains through the line. On offense these little Ukiah "Wildcats" clawed openings that were apparent from the sidelines, and all the backfield had to do to gain was run and yards were made. In spite of the entire team's lack of weight the Ukiah boys not only out-fought but all of them out-conditioned the Fort Bragg men, as every man that started the game for Ukiah played from the start until the last gun was fired while Fort Bragg used numerous substitutes.

Last week Willits held the scrappy Lakeport team to a scoreless tie. Evidently after a disappointing early season they found themselves. Willits always plays their hardest against Ukiah so a hard game is expected on the local gridiron today even if the league leaders are playing the league trailers.

Armistice day Ukiah plays Santa Rosa in what promises to be the epic game of the season. Santa Rosa has been defeated twice this season but in each game the breaks of the game went against them. In the Vallejo game two long trick passes gave Vallejo 13 points while otherwise Santa Rosa outplayed and outgained them. In the San Rafael game a blocked kick was their undoing and they were on the short end of a 6 to 0 score. However, in their other games they have piled up an imposing row of victories, in most of which they have rolled up large scores. Should Ukiah win from Willits they will play Eureka at Eureka for the Northwestern League championship November 17, and the Santa Rosa game will provide ideal competition to fit the locals for that game.

Last week your correspondent missed all three predictions. Ukiah vs. Fort Bragg was predicted to be anyboyd's game. Lakeport was to thrash Willits, instead they played a scoreless tie. Mendocino was to win from Upper Lake, instead Upper Lake beat Mendocino 13 to 7. Undaunted we will try again. Mendocino goes to Lakeport. Lakeport has defeated Upper Lake, who has defeated Mendocino, and for that reason Lakeport ought to win. Ukiah has defeated all of the teams in the league while all of the teams except Lakeport have defeated Willits, so Ukiah ought to win. Fort Bragg has defeated every team but Ukiah and Lakeport has defeated Upper Lake so Fort Bragg ought to win. However, this football is a man's game, and spirit and fight often bring a lowly team up to undreamed of heights so your correspondent picking his teams on the "dope sheet records" is apt to miss every game again this week. If the teams win as selected the standing of the Southern Division of the Northwestern League will end:

	Won	Lost	Tied	Pct.
Ukiah	5	0	0	1000
Fort Bragg	4	1	0	800
Lakeport	2	2	1	500
Upper Lake	2	3	0	400
Mendocino	1	4	0	200
Willits	0	4	1	000

Shortridge Greeted by Fair-Sized Crowd

Senator Carefully Avoids Issues of Campaign

Monday night Senator Sam Shortridge spoke at the grammar school auditorium in behalf of the "Grand Oil Party." There were about 200 in the audience, a fair-sized crowd for Shortridge, who has never been a favorite with Mendocino county audiences.

The Senator spoke for nearly two hours and did not mention any of the issues of the campaign—prohibition, farm relief, the preservation of the remaining natural resources for the people, or the Boulder Canyon dam.

He tried to make the tariff an issue, but as we all know that Governor Smith has repeatedly stated that if he is elected president there will positively be no radical changes in tariff schedules the attempt was a flat failure. (All of the Democratic senators and congressmen have been polled and 80 percent of them are in favor of allowing the tariff to remain practically as it now is.)

Another bogie man was immigration. The inference was that the wicked Democrats wanted to let down the bars and allow unrestricted immigration. Governor Smith has also gone on record on this question and is strongly in favor of keeping the bars up, and as this fact was known to most of the audience the speaker's discussion of the issue was received without any particular enthusiasm.

Shortridge's talk throughout was neither able nor inspiring and what applause was accredited him was perfunctory and sporadic.

Outlines Courses of New Training Dept.

J. W. Hoyt, Presbyterian Sunday school missionary, explained the object and announced the courses to be given at the Ukiah standard training school, which will be held at the Methodist church, November 11 to 16 inclusive. Mr. Hoyt spoke before the board of school administration at a meeting Monday night.

Following are the courses:

Bible course, (Old Testament) instructor, Dr. C. A. Rexroad, pastor of the Methodist church, Ukiah. Text Book, The Worker and His Bible, by Eisslen and Barclay.

Church School Administration. Instructor, Rev. R. U. Waldraven, superintendent of Sunday school work for the M. E. Church, South, in Calif. Text Book, The Organization and Administration of the Sunday School, by Cunniggim and North.

A Study of Middle Childhood, (Primary Course). Instructor, Miss Sally Lee Hackley, superintendent of all young people's work in the Baptist convention, (Calif. N.) Text Book, "A Study of the Primary Child," by Whitley.

A Study of Later Childhood, (Junior Course). Innstructor, Mrs. R. U. Waldraven, superintendent of elementary work for the M. E. Church, South in California. Text Book, "A Study of the Junior Child," by Whitley.

CURED BY CHIROPRACTOR

Vernon Pickle, who was reported as much improved in health in last week's Dispatch, states that his cure was brought about by special treatments from Dr. McCloskey, Ukiah chiropractor. Not only has his trouble been cured, but it will not return, according to the doctor, and Mr. Pickle is, naturally, much gratified.

The Misses Mabel and Minnie Larsen returned to San Rafael last week after visiting at the home of their parents, Mr. and Mrs. John Larsen.

GRANGE ENJOYS PROGRAM

At the last meeting of Ukiah grange one of the best programs of the year was enjoyed when there presented the playlet entitled, "How the Story Grew." As well as being entertaining the play showed how much mischief may be done by Dame Gossip.

The personnel of the play was as follows: Mrs. Sisk, Miss Edith Sisk, Mrs. Duncan, Mrs. Collier, Mrs. Hilts, Mrs. Richards, Miss Sadie Swim and Miss Florence Bull.

After the business meeting and entertainment the guests marched to the dining room where delicious refreshments were served by a committee headed by Mrs. Nassie.

Transports Liquor; Fined $150 by Judge

Fred Pittman was arrested in Long valley this week by Deputy Oscar Weger on a charge of transporting intoxicating liquors. He was caught with the goods.

Judge Hoffman fined him $150.00, which he paid.

REPORTS GOOD TIME

John Baccaglio returned the first of the week from San Francisco, where he went to take in the big pageant put on by the Foresters of America. About 5000 people were in attendance on last Monday night, the closing night and the show was one of the most beautiful imaginable.

The proceeds will be turned over to the relief fund of the order.

DON'T RUSH QUAIL SEASON

Don't rush the quail season, says Game Warden Macklin, or you will get into about $50 worth of trouble. Many local sportsmen are under the impression that the season opens the 15th of this month. They are due for a rude awakening, however, as the season is not open until the first of December.

LOCALS

Dan English, Jack Russell, Mrs. K. Lovell and Preston Shield were down from Covelo last Monday.

Judge H. J. Nash and Constable George Potter, of Covelo, were here on legal business last Monday.

Geo. C. Bauer brought his son, John down from Covelo the first of the week for medical attention.

Kirk Ford and Alvin Whittaker, prominent Potter valley stockmen, were here on business last Monday.

Harry Duprey, a former Ukiah boy, came up from San Francisco to spend the week end with friends. Mr. Duprey now has a splendid position with an insurance company in the city.

Mrs. Edith Murphy, of Covelo, was here visiting friends last Saturday.

J. D. Moungovan and Chas. Robinson were over from Navarro the first of the week.

A. W. Gossman was over from Philo last Tuesday.

Mrs. J. W. Heap, of Willits, is visiting Mrs. R. E. Roach this week.

Al Bingham, Covelo's legal luminary, was here several days the first of the week.

Cliff Goss was over from Fort Bragg this week.

Guy Simmerley, of Spyrock, was here on business Thursday.

Mr. and Mrs. Tom Ray, of Los Angeles, are visiting Mr. and Mrs. Sam Ray.

Martin Hart, formerly of Westport, but now a resident of Watsonville, was here on business this week.

F. W. Harmon was down from Willits Thursday.

Joe Raymond was down from Potter valley, Monday.

Fancy of Women

Little Patsy is a youngster of considerable imagination and poise for one of five years and always has an unusual slant on subjects which her elders ponder.

Attending a theater with her mother recently, she sat enthralled through an organ recital of unusual poignancy. When it was ended, she turned to her mother with a wistful smile and said.

"Mother, I would like to have a dress like that music."

Business Picking Up

A junior partner in a law firm came boisterously into the office one morning. "Bill, I think business is going to be better," he said.

"What makes you think so?" asked the none-too-optimistic Bill.

"The young married couple next door woke me up quarreling; they'll probably be seeking a divorce," replied the youthful lawyer.

Miss Amelia Lucchesi Home from S. F. Trip

Miss Amelia Lucchesi is back from San Francisco where she has been for nine days at the Mark Hopkins hotel as the guest of the Foresters of America pageant of which she was one of the ladies-in-waiting to the queen.

Miss Luchessi was accompanied by Miss Mary Baccaglio, who was her companion during her stay at the Mark Hopkins.

The queen and her court were royally entertained at the hotel and also were taken on sight seeing trips by the entertainment committee of the Foresters.

The prizes of which were four Chevrolets were won by the following: First prize, Cora Erkison, San Francisco; second prize, George Peterson, San Francisco; third prize, Mrs. J. E. Dujeon, Vallejo; fourth prize, H. Livingston, Folsom.

Last Game on Nov. 11 If It Does Not Rain

What will probably be the last game of baseball of the season will be played here Sunday, November 11, the weather permitting.

Petaluma's crack team is coming up and they will have for their pitcher Sid Hansen, who stands six feet four and throws like a cannon. Ukiah, not to be outdone, will have Cy Falkenburg on the mound and he can reach nearly to first base when he stretches out.

Further mention of this game will be made next week.

M.r and Mrs. H. N. Ornbaun were here from Ornbaun valley the early part of the week.

Mrs. Jennie Duncan, of Hopland, was in Ukiah Wednesday for a short visit.

gigantic steals from the public treasury without any one's becoming accountable. Vote no.

Number 5 is to do away with 12-round prize fights. It does not prohibit amateur four-round contests. We believe that licensed prize fights as at present conducted under the strict supervision of the state commission are no more harmful nor brutal than football games. It is urged that prize fighting is a grave menace to the nobler standards of social conduct, but we do not believe that this argument applies to the average crowd that attends a prize fight. The act, as we regard it, comes close to being a "blue law," and we are not in favor of it.

Number 6 provides for the appointment of the state superintendent of instruction by the state board of education instead of his election by the people. It disfranchises the people so far as their public schools are concerned, and takes from them their last vestige of control. The state board of education is appointed by the governor and the act if carried will put the public school system into the governor's political machine and under his sole control. The appointment of the superintendent by the board is tantamount to the tail's wagging the dog. If any change is made it ought to be the other way and let the people elect the board as well as the superintendent. Vote no on number 6.

Number 7 provides for improvement of the laws in connection with the use of water supplies now going to waste. It limits the scope of the former doctrine of riparian rights and prevents selfish individuals from blocking appropriations of waste waters by municipalities and other large communities. At the same time it protects legitimate individual rights to water. Vote yes.

Number 8 increases the tax on automobile freight companies which are tearing up our highways as fast as we build them. It forces them to pay a fairer share of upkeep. Vote yes on number 8.

Number 9 gives the state the same rights in condemnation as at present given municipalities and counties. There is no legitimate argument against it, as the property owners' rights are taken care of by provision for jury trials where there is a difference of opinion between the property owner and the state as to the value of the property sought to be condemned. Vote yes.

Number 10 authorizes the state, a county or a municipality to acquire a limited amount of land contiguous to a public improvement in addition to the land sought for the improvement. Any surplus not needed for the improvement may be subsequently sold. It is apparently designed to apply to some present specific situation not mentioned in the act and therefore is to be regarded with suspicion. Vote no.

Number 11 and number 20 are designed to speed up court procedure. They are recommended by the state bar association. Vote yes on both measures.

Number 12 and number 19 provide state aid for cripples and for blind people not in institutions. They are humanitarian measures. Vote yes.

Number 13 provides that state and political subdivisions may become stockholders in mutual water corporations. The act is dangerous in the extreme, as, under its provisions, a city, county, the state, or any other political subdivision may have a "busted" water company unloaded on them and have to pay its debts. Vote no.

Number 14 authorizes public service corporations to extend their term of existence by vote of the stockholders instead of dissolving and reorganizing as they are at present forced to do. All other corporations already have this right except public service corporations. The procedure does not extend their franchises, which must be renewed by the people when the time expires. The measure is a just one. Vote yes.

Number 15 permits the increasing of compensation for grand jurors and trial jurors. The present rate of compensation is limited to $3 a day, which is ridiculous, as it does not pay the expenses of jurors who are forced to come from a distance and spend several days in town away from their business and homes. Vote yes.

Number 16 is designed to enable the next legislature to adopt laws that will remove the discrimination and abuses of the California corporation law now in force. California property will be incorporated and operated in California under California laws instead of under those of some other state,, and be subject to the jurisdiction of the state corporation commission as regards the issuing of stock. Vote yes.

Number 17 provides for a bond issue of ten millions of dollars to provide safe railroad crossings on the state highways. The hundreds of grade crossings on county roads and in municipalities are not provided for in the measure. Why the state should have to issue bonds for the purpose of the act is not plain. The highway commission is already dragging enough money from the people. Let them take care of the grade crossings out of their present funds. Vote no on number 17.

Number 18 is designed to permit those voters engaged in the civil or congressional service of the federal or state governments to cast their votes in the same manner as those engaged in the military or naval service. Vote yes.

Number 21 is designed to prevent cruelty to animals at rodeos and similar exhibitions. It has aroused widespread opposition and many hysterical claims are made by its opponents as to the dire results should it be enacted. They claim it will wipe out stock raising and the dairy industry among other things, which is utterly ridiculous. Its proponents are just as hysterical. We believe that most the claims made by both parties are the purest bunk. We do not believe that its passage will militate in any manner against legitimate sport at any rodeo. At the same time the ground is well covered by the present laws and we see no necessity for its passage. Vote no.

"WET" AND "DRY" GASOLINES EXPLAINED FOR MOTOR OWNERS

With millions of new automobiles going into service every year, motorists are paying more and more attention to the details of operating their cars. To protect their investments, they take better care of their engines. Especially are they becoming more particular about the kind of fuel they use, for gasoline affects not merely efficiency of operation but the life of the motor itself!

Have you, like thousands of other car owners, been wondering what is the difference between "wet" gasoline and "dry" gasoline? And have you wondered what difference the two kinds of fuel make in your engine?

The difference really is simple and easily understood. Just blow your breath on a cold mirror—that's how "wet" gasoline acts in a cold motor! "Wet" gasoline contains heavy fractions of kerosene, saturated particles which do not stay vaporized. On cold mornings, or any time for that matter, they condense and flood your carburetor. They gather on cylinder walls and drain into the crankcase where they dilute your oil.

Your engine can't start quickly or operate at its best on "wet" gasoline, even though you may be careful to use the so-called "winter quality" of gasoline.

What you need, winter and summer, is "dry" gasoline. You avoid starting troubles, the danger of thinned oil and bothersome delays when you use Shell 400, the "dry" gasoline that goes into your cylinders completely vaporized and which burns completely.

Fire Season at End; Burning Is Allowed

The closed fire season ended on November 1 and from now to May 15 property owners may burn brush without a permit but they will be held responsible if the fire they start damages any other property.

An inspector from the fire ranger's office will make a thorough inspection of the county shortly and all property owners will be notified to burn their slash and other refuse that might become a fire menace.

Property owners are also requested to make fire trails during the winter season and thereby protect themselves from the danger of fires next dry season.

P. T. A. Meeting

The first evening meeting of the P. T. A. for the winter, will be held at the grammar school, Tuesday, November 6. Yes, election night, but why not follow up one civic duty with another? Most of us will want to be hearing election returns, and might as well use a perfectly good evening until nine or nine-thirty with the other parents and teachers, in the interests of our coming voters, while we wait. Miss Turner, the school nurse, will be the speaker for the evening, George Anderson will lead community singing, and Mr. Pauli will provide light refreshments that always follow these meetings.

HALLOWE'EN SOCIAL

The Baptist young people gave a Hallowe'en social in the social hall of the church last Tuesday night which was attended by more than 50 young people.

They were met at the rear door of the church by two vicious looking men who took them through many spooky places before entering the social hall.

Games were enjoyed during the evening, after which refreshments of cider, sandwiches, pumpkin pie, doughnuts and apples were served.

The committee in charge were Mr. and Mrs. John Cooper, Dorothy Larsen, Grace Swim, Phoebe McKesson, Evangeline Stanley and Joe Kunzler.

Burr Without Fear, as Without Morals

Aaron Burr, the American statesman, had little fear of death, whether by steel, bullet or disease. When a lady was complaining to him that some misery would kill her he said: "Well, die then, madam; we must all die; but, bless me, die game."

Once in Paris, Burr thought he had been poisoned, and remembered the fate of a friend who, "having taken a dose of medicine, some time after drank a glass of cold water, and in an hour was dead. It seemed to me that I was about to follow his example: and, being in good company, and feeling no pain, there could not be a more charming occasion for an exit I became very gay, and F. said I was never so amiable."

In the illness which brought about his death in 1836 a reverend gentleman asked him as to his hope of salvation through Christ.

"On that subject," said he, "I am coy."

So died the man who had conspired against his country, deserted his followers, robbed his friends, betrayed many women—the man who could refer casually to "my friend Alexander Hamilton, whom I shot."—Detroit News.

Writers Turned From Drugs to Authorship

It may seem a far cry from the drug store to literary fame, but throughout the ages there has been a puzzling relationship between the two. Many a youth who has started life in a pharmacy has found, strangely enough, that his real career lies in authorship, says a writer in the American Druggist Magazine. Aristotle was one of the earliest of these. The Greek philosopher, son of a physician, followed his father's footsteps as a youth in those days when doctor and druggist were one. Dante, immortal poet, was a member of the guild of apothecaries in his native Florence. John Keats served as a pharmacist's apprentice and later graduated from Apothecaries' hall. Henrik Ibsen found the inspiration for his "Ghosts" and "An Enemy of the People" while serving for six years in a little Norwegian drug store. And O. Henry, probably the most famous of modern druggist-authors, spent several of his early years in a Greensboro (N. C.) pharmacy.

Nature's Every Day

It seems as if the day were not wholly profane, in which we have given heed to some natural object. The fall of snowflakes in a still air, preserving to each crystal its perfect form; the blowing of sleet over a wide sheet of water, and over plains, the waving rye-field, the mimic waving of acres of boustonia, whose innumerable florets whiten and ripple before the eye; the reflections of trees and flowers in glassy lakes; the musical steaming odorous south wind, which converts all trees to windharps; the crackling and spurting of hemlock in the flames; or of pine logs, which yield glory to the walls and faces in the sitting room.—From Emerson's Essays.

Lost Motion

Snyder L. McGrath, an efficiency engineer, was praising scientific management at a banquet in Toledo.

"Scientific management more than anything else," he said, "is what has given America her world lead. Europe, ignoring scientific management, is a joke.

"Europe reminds me of the servant girl. Her mistress said to her:

"'It's taking you a long time to put down that stair carpet, Dagmar.'

"'Right you are, ma'am,' Dagmar panted. 'It's such a terrible job, ma'am, threadin' it under all these infernal brass stair rods.'"

Religious Mockery

During the Fourteenth and Fifteenth centuries there was in Europe an outbreak of rowdyism and buffoonery connected with the religious feasts and holidays. The Feast of the Ass originated in France in commemoration of the flight of the Holy Family to Egypt. This was travestied in some of the churches by the ass being made the principal object of the service. A ribald congregation and mock priest conducted a litany in which the responses consisted of a series of brays. The affair became so scandalous to decency that it was prohibited by law about 1500.

What to Wear

An Englishman with rather bizarre ideas of dress was visiting at the home of an American, and when he appeared one day at the breakfast table clad in unusually loud apparel his host candidly said:

"Great grief! I wouldn't wear that suit to a dog fight!"

To which the Briton replied:

"But, old top, you didn't tell me you were going to take me to a dog

Farm Bureau Notes

Grass Variety Tests

Several grass variety test plantings are being made again this fall for further study relative to those having the greatest promise for range plantings in this county. Poa Bulbosa, an European Blue grass, kin to Kentucky Blue grass, is being planted with the various grasses tried.

Poa Bulbosa is unknown in Mendocino county, but according to reports it has made quite a record in Oregon. Owing to its aggressiveness it is claimed the grass will choke out broncho grass, foxtail, and other weedy varieties, making a luxurious growth where these pests thrive, furnishing abundant, highly nutritious, and palatable forage. It is claimed no seed bed preparation is required for seeding this variety, a factor highly in its favor. The grass is not likely to become a pest as it can be easily killed by plowing.

Crown Gall Control in Grapes

Professor Leonard H. Day of the University of California, author of the zinc chloride method now used for the control of pear blight, spent a day in Mendocino county in the interest of crown gall control, in grapes.

Professor Day has a promising chemical which he believes will kill crown gall infections in grapes and trees without surgical operation. Three control test plots were established on L. M. McLintock's place at Calpella, employing this chemical and two other materials. The different solutions used in the test were applied with a bulb syringe. Deceased portions of the roots and trunks were saturated with the solutions without removing the galls. Crown gall is a highly infectious bacterial disease, found common in newly cleared areas and may be transmitted from vine to vine by farm tools. The disease has a decided retarding effect on vine development and also limiting very materially the production of fruit.

If one or more of the treatments prove effective against the disease it will be of great value to the fruit industry.

Subsoiling

C. M. Avery, of Hopland, started subsoiling operations in his pear orchard last week. He has 40 acres of orchard which is being subsoiled from 20 to 24 inches in depth. The soil is dry and a good shattering of the hard impervious layer is being secured. Subsoiling not only breaks up the hard ground, enabling better root penetration, but aids in a deeper and more thorough penetration of soil moisture, at the same time removing the surplus water so injurious to trees.

Stomach Worms in Cattle

State and federal veterinarians have recently investigated several cases of cattle losses in the county and have found the trouble to be caused by stomach worms. This parasite is often found in enormous numbers in the fourth stomach of cattle. Young stock in particular, seem to suffer most from the effects of these worms. Among the symptoms caused by this parasite may be mentioned loss of flesh, general weakness, dullness, anemia, capricious appetite, excessive thirst and diarrhea. The anemic condition is seen in the paleness of the skin and mucous membranes of the mouth and eye, and in the watery swellings which often develop under the lower jaw. If the fourth stomach of the dead animal is cut open and the contents carefully examined, the parasites, which are from one-half of an inch to one and one-fourth inches in length and about as thick as an ordinary pin, may be seen if present in any considerable number, actively wriggling about like little snakes. The copper sulphate treatment is recommended for the control of these parasites. Information regarding its use may be obtained from the farm advisor's office, Ukiah.

Market for Dairy Cattle

Many shipments of dairy cattle have been made from Mendocino county during the past year to other sections of the state. The demand for good dairy cows, free from tuberculosis, is increasing and Mendocino county by virtue of the very small percentage of tubercular animals in the county is very favorably situated to take advantage of this market for surplus dairy cattle.

Dr. C. M. Haring of the Division of Veterinary Science of the University of California, makes the following statement, in the recent publication on Bovine Tuberculosis, regarding the need for tuberculosis-free cattle in California: "According to the report of the Los Angeles County Live Stock Department for the year ending June 30, 1927, approximately 20,000 dairy cows were added to the herds of that county during the year. Thirteen thousand, or about 65 per cent, of the cattle were purchased in dairy districts outside the State of California. If cattle breeders in the central and northern parts of this state had been in position to meet the Los Angeles county requirements, every one million and a half dollars from that one county alone could have been spent within the state. There is a real need in California for expansion in the production of diseased-free, high grade heifers."

Pioneers in Unselfish Banking

No bank can achieve the highest degree of real success unless it functions primarily to *help others succeed*. To be helpful, constructive and sincerely human in all of its activities has been the dominating thought in this institution since its inception. The policies, purposes and methods of Bank of Italy reflect the unselfish character of its founder and his associates. The institution has always been operated primarily for the benefit of its patrons and shareholders. Unselfish banking practices—a demonstrated success in 165 cities of California—have helped to make it the great bank it is today

REDWOOD VALLEY

REDWOOD VALLEY, Nov. 1.—Mrs. M. Werner has returned to her home in San Francisco after an extended visit with her daughter, Mrs. Joe Brower.

Miss Judith Sherman, of Piedmont, spent a few days at the Rancho Mariposa the first of the week.

Mr. and Mrs. Roy Williams left last week for Oakland to remain until after the first of the year.

Waino and Oliver Bom, Willie Wainio, Elmer Lampi and George Mikilla motored to Fort Bragg last Saturday and saw Ukiah's great football team take the strong Fort Bragg team into camp, 20 to 6. Redwood valley boys making the trip as members of the regular team were Nello Johnson, Torrence Swindell and Kenneth Beales. Substitutes—Uro Niemi, Arvo Ulivila, Carl Fred and Roy Jameson.

The Rev. Elbert Holland preached at the clubhouse Sunday night. His subject was "Registering for Righteousness." Mrs. Ina Bransom sang a very beautiful solo.

Mrs. J. R. Banks and daughter, Bessie, are enjoying a visit with Mrs. Banks' sister, Mrs. Stockham, at Geyserville.

J. R. Banks motored to Ukiah Monday night to hear Senator Shortridge speak.

Miss L. Kistler, Mrs. T. Gullickson and Mr. and Mrs. Tom Jameson attended a committee meeting in Ukiah Monday night in the interest of a Sunday school training course which will be held in Ukiah November 12 to 16. After the committee meeting was over the party repaired to the school auditorium and heard the major portion of Senator Shortridge's address.

The Boy Scouts held their first meeting of the year Wednesday night.

Last Friday afternoon Prof Zeek and Mrs. H. Wilkinson piloted the girls' basketball team to Potter valley where they took the Potter valley team into camp. This Friday afternoon, if weather conditions are favorable, the Potter valley girls will come over here for a return game. There will also be a game between the boys' teams.

Mrs. Nels Nelson is in very poor health. She has been confined to her home for several days.

Percy Letts has sold his ranch to Clarence Simmons, and has leased Mrs. Sprague's ranch and will take possession at once.

The Ladies' Aid will meet with Miss Ethel Hargreaves for the first meeting of the autumn, Thursday afternoon.

The Sunday school council will hold a business meeting at the home of Mrs. B. Gholson Friday evening.

The P. T. A. met in a special meeting Wednesday afternoon.

Mrs. Bransom and Mrs. DeCarli of the milk committee, reported they had visited every family with underweight children and that nearly all were anxious for the children to have milk and willing to pay for it. It was decided to start serving milk next Monday. Mrs. Knute Talso will furnish the milk.

Mrs. O. A. Huber, Mrs. J. Bransom and Mrs. F. F. Zeek will represent the P. T. A. at a district conference at Hopland next Friday afternoon.

The P. T. A. ladies will conduct a food sale at the school auditorium next Tuesday night. There will be a radio on hand to give all the election news, and you can buy all the hot coffee, cake, pie and other goodies you want. Come Tuesday night and find out who has been elected president, but don't forget to bring a pocket full of money.

Matt Niemi and Olivar Bom have been busy this week hauling off the big rocks from the recently gravelled stretches of road.

Don't forget to vote for amendment No. 1 next Tuesday. Tell your friends to vote for No. 1.

Mrs. Cyril Goudge has been selected secretary of the grange to succeed Mrs. Henry Davis, Clyde Ritchey overseer to succeed Mr. Davis, while Mrs. John Wilson was selected as Pomona to take Mrs. Roy Williams' place, Mrs. Williams tendering her resignation.

Orval Hayes returned Wednesday from Anderson valley, where he has been working drying apples for several weeks.

HOPLAND

HOPLAND, Nov. 1.—The Hopland Boy Scouts started their weekly meetings last Tuesday night.

Mr. and Mrs. Ray Johnson and Mrs. Jack Hughes and Mrs. Joe Alvarez were business visitors in Ukiah last Monday afternoon.

The food sale given by the Camp Fire Girls last Saturday afternoon was a great success. Thirty-one dollars were cleared.

Mrs. Dion's sister, brother-in-law, and father and mother, from Kansas, are visiting at the Dion home.

Mr. and Mrs. L. C. Faught and daughter, Jacqueline, motored to Kelseyville Sunday.

Mrs. Steiner is going to start a delicatessen and expects to have it going good by the first.

Vernon Douglass spent the week end in Shellville visiting his parents.

Francis Sierck and Tom Ashurst spent the week end in Santa Rosa.

Mr. and Mrs. Asa Smith were visitors at the Carl Lambert home Sunday.

Mrs. George Shield, Jr. is spending a few days visiting friends near Reno, Nevada.

E. McMullen received the shiner's degree in Santa Rosa Friday night.

Mr. and Mrs. Lester Vann, of Napa, spent the week end with Mrs. Vann's parents, Mr. and Mrs. George Shields.

The Study club gave a card party Wednesday night. Everybody enjoyed themselves.

PHONE FACTS

The city of Denver the other day installed its 85,000th telephone.

On January 1, 1928, the Dominion of Canada had 1,265,869 telephones.

During the year 1927 there were 777,144 telephones added to the existing systems in the United States.

Direct telephone service was inaugurated this past summer between Czechoslovakia and Hungary.

Telephone service has recently been made available between all parts of Belgium and the entire country of Sweden.

More than 75,000,000 completed telephone conversations are handled daily by the telephone companies in this country.

On June 1 of this year the Bell System had 328,000 people engaged in giving telephone service. The Western Electric Company had 44,600 employees and the Bell Telephone Laboratories, 4,000 people.

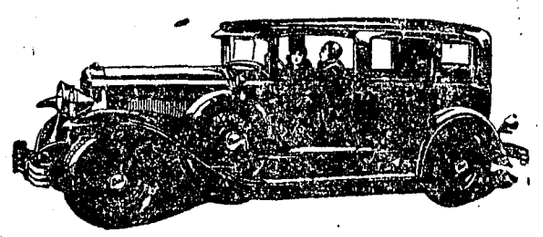
The new Buick is the new Style



Men and women on every street--in every city and town--are pronouncing the new BUICK, with *Masterpiece* Bodies by Fisher, the most beautiful automobile of the day

Never before in the history of motor car manufacture have the motorists of America welcomed any new automobile as they are welcoming the Silver Anniversary Buick with new Masterpiece Bodies by Fisher!

Sweeping into the market at a time when motor car lines were practically standardized—when imitation was destroying individuality—these epic Buick creations introduced an entirely new mode—

A mode of body-symmetry—of size and magnificence—of soft contours instead of straight lines—of embossed side and hood panels involving the most costly steel paneling work employed on any car in the world!

And as the weeks have passed—and the full significance of Buick's achievement has become apparent to the public—enthusiasm for this car has swelled and grown to unprecedented proportions!

Buick sales records have been broken! Production schedules have been increased again and again! The great Buick plants are working to the limit of their capacity to supply the demand.

UKIAH METHODIST CHURCH
C. A. REXROAD, Pastor.

Sunday morning the sermon theme will be: "The Continuing City." All is temporal here. Nothing is lasting or permanent, but there is a beautiful home in the continuing city that shall never grow old.

The Sunday school is showing signs of real pep and advancement. The two adult classes of the older people taught by Rev. Holland and the one for younger married people and older young people taught by the pastor are making real advancement. All departments are growing nicely.

Sunday night at 7:30 this church will visit our neighboring church, the Presbyterian church, and help to honor their new pastor in a beautiful induction service. The two choirs will combine for the service. The Epworth League will meet promptly at 6:30 and conclude at 7:30. George Rexroad will be the leader.

PRESBYTERIAN CHURCH

Next Sunday evening at 7:30 Rev. Arthur T. Davies will be installed as pastor of the Presbyterian church. The ministers taking part will be Dr. Wishart of San Anselmo, Rev. E. C. Philleo of Healdsburg, Josiah Daniel of Napa, J. W. Hoyt of San Anselmo.

The service will begin promptly at 7:30. The Federated Methodist church will close their service Sunday evening and attend the installation service. A splendid program of music is arranged by the united choirs of the Presbyterian and Methodist churches, under the leadership of Hugh Harvey.

Bible school, 9:45 a. m. Classes for all ages.

11:00 a. m.—Public worship. Subject: "The Exaltation of the Church."

Good music, fine fellowship, warm welcome.

ARTHUR T. DAVIES, Pastor.

BUY FISHING LAUNCH

M. Goldsam and son went to Sausalito several days ago and purchased a 28-foot gasoline launch which they will use for fishing. It is a good stout seaworthy craft for outside work. They sailed her up Wednesday and will make their home port at Albion, keeping their craft in the Albion river below the bridge where the water is always smooth. They will fish for the market and will peddle their fish locally from an automobile. They started out Thursday morning on their initial voyage.—Beacon.

H. B. Muir, Gordon Baechtel and Ed Purdy, prominent Willits citizens, were here on business last Wednesday.

ENTERTAINS FOR GUEST

Mrs. A. L. Wessels, on Wednesday, October 31, entertained at 1:00 o'clock luncheon complimentary to her house guest, Mrs. A. M. Gooding, of Denver, Colorado. The afternoon was spent at auction bridge. Those present included Mrs. A. L. Gibson, Mrs. S. L. Rea, Mrs. G. C. Burke, Mrs. Z. M. Montgomery, Mrs. Helen M. Greenland, Mrs. D. M. Grant, Mrs. Frank LaPorte, Mrs. Bert Cleland, Mrs. W. E. Williams, Mrs. A. L. Harris and Mrs. Follett Morris.

CASPAR BRIDGE OPEN

The new bridge at Caspar is rapidly nearing completion. The planks have all been laid, the railing is all on and travel was being routed over it Wednesday afternoon at 5 o'clock. The pile-driver has been removed and workmen are busy putting in braces.

Considerable work remains to be done on the approaches to the bridge, especially on the south side where springs have been encountered in several places and where slides are likely to cause more or less trouble.—Beacon.

ROUND VALLEY

COVELO, Oct. 29.—The November meeting of the Round valley farm center, which occurs on the evening of the 5th, promises to be both important and interesting. Thre short films have been engaged for the evening. So much appreciation was expressed for the pictures shown at the last meeting and funds were subscribed so generously that the management ordered another group, to meet the popular demand.

This meeting is the date scheduled for the nomination of officers for the ensuing year. Members are urged to come out and to make careful selection for new leaders.

Negotiations are under way to secure an able outside speaker to discuss the mesures up for consideration by the voters. As arrangements are not yet completed no announcement can be made at this time, but it is earnestly hoped that the invitation issued by the chairman will be accepted and that a speaker will be present who is eminently qualified to give information desired by the average voter on these important topics.

There will be a special temperance service at the Presbyterian church next Sunday morning. A number of local speakers will be hard on various phases of the problem.

One of the infant daughters of Mr. and Mrs. P. C. Bauer was severely burned on Tuesday morning when she tipped her high chair and in falling struck the handle of a pan of hot grease, which splattered over her.

Word has been received by friends here of the marriage on October 18 in Oregon of Paul Thomas and Miss Kitty Bauer. Both young people are well known in Round valley. Many felicitations will be extended them.

A Lake county hatchery man and his wife were in Covelo Saturday for the purpose of taking orders for day-old turkey chicks, to be delivered in the spring.

C. G. Fish is sponsoring an old-time dance at the auditorium on the night of November 6 in the interest of the Women's Improvement club. All the old-time favorites—waltzes, quadrilles, Virginia reels—will be on the program. Old-time costumes are expected as a part of the fun for the evening. Come and trip the light fantastic toe while you wait for election returns and grow weary of watching the counting of ballots.

The local chapter of the Red Cross is in receipt of a letter of thanks from Louis Hofman, chairman Mendocino Chapter A. R. C., for two checks, one for $5.00 for the production department, and one for $20.00 for Florida and West Indies relief. Mr. Hoffman thinks this is fine for Covelo and is grateful for the prompt cooperation.

He suggests that the local organization give the annual membership drive consideration, and select a campaign manager.

The local committee working in the interests of referendum No. 1 have a well organized campaign under way. Speakers have been arranged for to appear at each moving picture show between now and election day. A special picture will be shown at the reservation on Friday, November 2, and a speaker will be there to urge the importance of "Yes" on No. 1. J. B. Bellatti addressed the last meteing of the Improvement club. A speaker, will, it is hoped, address the farm center meeting on Monday.

A handsome banner, "Vote Yes on Referendum No. 1," the work of G. F. Goertz, has been stretched conspicuously across Commercial avenue.

Arrangements have been made to circularize all the homes in the valley this week.

Committees have been appointed to check all voters at each polling place and to send for those who do not appear of their own accord. A full representation at the polls is expected.

The regular monthly missionary meeting of the Dorcas Aid Society was held at the home of Mrs. W. W. Coke Friday afternoon, with Mrs. Coates, Mrs. Biggar and Mrs. Hogshead assisting in the serving. There were twenty-five members present.

The meeting opened with scripture reading and prayer by President Mrs. Merry O'Ferrall. Mrs. Coke read a very interesting paper on India. Mrs. Lippert appeared in the costume of a Hindu widow and gave a few graphic pictures of life as it appears to this unfortunate class of women. Mrs. Goforth and Mrs. Rohrbough sang to a familiar tune a hymn to India, with Mrs. Redwine presiding at the organ which Mrs. Rohrbough had kindly furnished for the occasion. The missionary offering amounted to $3.90. The hostesses served jello-fruit salad, home-made cookies and tea.

The next missionary meeting will be held in the church on the evening of November 30, and will be in the nature of a Thanksgiving service. There will be a program and the public is cordially invited to attend.

Returns from the Fall Festival sale have totaled to date $193.50. A number of other articles have been sold since the night of the festival, which will bring the total probably a little over $200.

President Edith Walter of the Dorcas Aid wishes to extend sincere thanks to all who assisted so cheerfully to make the evening a success. The funds will be turned into the church budget to help with the pastor's salary and other current expenses.

Plans are under way for an election day dinner to be served in the bank building on Tuesday, November 6. Covelo is well acquainted with the excellence of the home cooking served on occasions like this, and a good crowd is expected. The menu will include tomato salad, chicken pie, mashed potatoes , corn, cold slaw, apple and squash pie and coffee. Don't miss the social hour and the good things to eat at the bank building on election day.

We are pleased to submit the following report from W. W. Coke of the agricultural department of the high school concerning an enterprise of vital importance to our community:

The cow-testing work in Round valley was allowed to lapse for a time, but the real value of the work that had been done was too apparent to allow this condition to continue, and so with the opening of school the agricultural department of the high school has again undertaken to carry on this work.

Very recently a buyer came into the valley looking for good dairy cows for his own herd. He knew the value of the cow-testing records and it was hard to interest him in anything that did not have such a record. He finally purchased quite a number of cows and paid prices ranging from $125 to $175 per head, which was easily $25 to $50 per head more than the same cows brought without such records.

It is very evident to those acquainted with the dairy cattle market situation that we are facing an era of high prices for good dairy cows, but the only way to know how good they are is to have regular cow-testing records for these animals. But the cows that are profitable to the buyers are also the ones that are profitable to keep, so that "It pays to test."

I know of no dollar that the dairyman can spend that will bring him larger returns than the one spent in cow-testing work.

The prospects are good for a large cow-testing association here in Round valley.

We are enclosing herewith the October report:

Testing carried on by Agricultural Department. W. W. Coke, instructor.

A host of young friends of Miss Lillian Walsh gathered at the family home on Tuesday evening to give her a farewell surprise party. The guests brought generous refreshments, and the hostess prepared a huge pot of coffee to accompany them. The evening was spent in games and dancing. The Walsh family left later in the week for their new home in Sonoma county.

The senior class of the high school enjoyed a Hallowe'en party at the auditorium Friday night. The hall was beautifully decorated in black and orange streamers, with a plentiful supply of jack-o'-lanterns and witches. Stunts and games were followed by cider and pumpkin pie and an hour of dancing.

Mrs. E. F. Rohrbough and Mrs. J. D. Rohrbough entertained at cards on Saturday evening, with six tables set for five hundred. The rooms were attractively decorated in honor of the Hallowe'en season. Mrs. L. E. Ruch won the first prize, from a group of close competitiors, and G. M. Biggar fell heir to the consolation prize. Unique menu cards announced the refreshments. From the mysterious list each lady wrote her order, with which her partner retired to the kitchen. There all terms were interpreted into cider, coffee, cookies, and fruit salad served in orange cups.

Those enjoying the evening's hospitality were Mr. and Mrs. B. L. Hurt, Mr. and Mrs. C. G. Hiatt, Mr. and Mrs. L. E. Ruch, Mr. and Mrs. J. C. Walter, Mr. and Mrs. G. M. Biggar, Mr. and Mrs. C. A. Riffe, Mr. and Mrs. A. N. Moore, Mr. and Mrs. E. F. Rohrbough, Mr. and Mrs. J. D. Rohrbough, Beverley Rohrbough, Mr. Skelley, Mr. Calhoun, Miss Lamb, Miss Judge and Miss Hull.

Remember the hi-jinks party to be given at the auditorium on the evening of Friday, November 2, by the Women's Improvement club. Come in special costume and help make fun for the evening. Admission will be 10 cents for maskers, 25 cents for observers.

Mrs. T. B. Hill and Mrs. E. V. A. Murphy spent the week end in Ukiah. Mr. Hill is recovering nicely from his recent operation.

Mr. and Mrs. Russell Ells are in San Francisco.

Mr. and Mrs. Deardoff, of Yreka, are guests of Mr. and Mrs. Albert Winters.

Russell Crockett has bought the farm formerly owned by his grandmother, Mrs. Toney.

Rolland and Lewis Hurt have purchased the Arthur Anderson farm which is situated across the road north of their other holdings.

Mrs. Mary Miller has rented her ranch near the outlet. She will leave this week for Visalia.

Leslie Dunlap and daughter, Mildred, returned the first of the week to Low Gap after a brief visit with relatives here.

Mrs. Della Dunlap has returned from Willits where she was a patient at the hospital. Her condition is improving.

L. J. Lane and young son, George, returned home this week. The little fellow is suffering considerably.

Charles Bucknell returned last week from a business trip to Princeton. He is making arrangements to return to that section for an indefinite period. We regret the loss to our community of two such good citizens as Mr. Bucknell and his wife.

Dr. and Mrs. Tholow Binkley and Mr. and Mrs. Charles Oldfield, of Sacramento, were Covelo visitors over the week end.

We have learned that C. A. Bernhard, representing the Federal Land Bank, will be in Round valley on November 8, 9, and 10 to take applications for federal mortgage loans. Any one interested should communicate with Frank Spurlock, James Hurt or Clifford Foster, who are the Covelo committee for the loan association.

Splendid Vaudeville Program Is Coming

Advance information on the next vaudeville program at the State theatre is to the effect that the show is the best for some time.

Tiffany and Falk are a dance team with eccentric dance oddities that are considerably different from the usual run. The girl is pretty and the boy a fine dancer and eccentric comedian. Whirlwind tap acrobatics and tough dance diversions help put pep in the act.

Duboise and Babbette present a bicycle and unicycle novelty. This is a big time offering with some clever stunts in trick bicycle riding and some acrobatic stunts on wheels and the unicycle.

Judnick and Love, piano accordeon blues, is a young couple consisting of a well gowned girl "blues" singer and a young man who features the accordeon. They are a peppy team and their act is full of snap and ginger.

The Lampinos bring a comedy mystery with thrills galore. This is another big time offering, consisting of magic, with a comedy vein throughout. The act is well presented and some burlesque passages are a distinct change from the ordinary.

WANT ADS WORK FAST

Last week Franz Grothe brought in a want ad for some sheep he had to sell. The paper went into the mails Saturday morning and that afternoon Mr. Grothe called up and instructed us to "kill" the ad as he had sold the sheep.

He got results within six hours from the time the paper went on the streets.

COMPLETE NEW BUILDINGS

Zack Elliott was down from his new home in Redwood valley, Thursday. He tells us that his home and that of Vertie Frost are completed, their barns and outhouses are built, water has been piped to the buildings and they are now comfortably situated.
